

JAXIAN

APARTMENT LIVING, EFFORTLESSLY.

THE INTERCOM THAT CALLS YOUR WHATSAPP

Your apartment door. Anywhere you are.

Visitors arrive. JAXIAN calls you on WhatsApp.
See them. Speak to them. Let them in - from anywhere.

- A familiar WhatsApp video call. No resident handset.

It really is that simple.

At the entrance, use a sleek iPad directory or a professionally displayed QR code.

01

VISITOR ARRIVES

They select an apartment
or scan the entry QR.

02

WHATSAPP CALLS

The resident sees and
speaks to them live.

03

DOOR OPENS

A tap lets the courier
or visitor inside.

A smarter upgrade for the whole building.

Modern access without cabling a handset into every apartment.

- ✓ Residents answer from anywhere
- ✓ No apartment handsets required
- ✓ Resident details updated online
- ✓ Australian owned and supported

Integrated parcel lockers can complement the JAXIAN access experience.
